Summary

As COVID-19 circles the globe, you're going to need to take the proper precautions when out in public. This kit allows you to best prepare yourself to stay healthy.

Features:

- Refillable Hand Sanitize Compartment (27.5mL)
- Refillable Clorox Wipes Dispenser (Holds 2-3 Wipes)
- Larger Compartment to easily fit Gloves and a Protective Mask
- Small enough to fit in Pockets and Purses (110mm x 85mm x 25)

Assembly Instructions:

- Snap the Hand Sanitizer and Wipes dividers into the main container after filling both with product.
- Install the 3 Lids and you're ready to go!

Other Tips: Running low on supplies? Here are some useful DIY tutorials.
